7 Things You Should Never Tell To Anyone - Life Coach Code

7 Things He'll Never Tell You, but you need to know ... He is was a military/sports guy and I never fully understood his communication style which caused many a fight. I have to say this book has really helped to turn our marriage around in the right direction. Focusing on the things I need to change helps him to change as well.

7 Things He'll Never Tell You: . . . But You Need to Know ...

They say women are complicated, no we're not. We open up and tell you what's on our mind and what we want. Men are the complicated ones. We never know what they think and have to read a book about them to understand them :) This is a great book and I highly recommend it for anyone dating, married, or who just wants to understand men.

7 Things He'll Never Tell You book by Kevin Leman

Many people think that it's only the men who hide things from their partners, but you will be surprised to know that there are things that women will never really admit. Women appear to be mysteries that men can never solve but it's all easy once you know these simple things that your girl will not tell you.
