Synth Section is a bit small but useful for basslines. I wish I could mute each pad independently, allowing only the XR20 to mutate by section. However, I loved the Note Repeat button and backlit blue pads are really nice. The French manual is clear but it will refer to the complete manual in English for the problems a little more pointed.

The XR20 is essentially the same machine as the Alesis SR18 (Akai Pro and Alesis are both owned by Numark). The SR18 is the successor to the hugely successful SR16. Although the screen and rear panel are identical on both units, the front panels are different, and the SR18 lacks the cool back-lit buttons of the XR20.
