Written by standards expert Alex Krulikowski, this valuable on-the-job reference clarifies how to interpret standard-compliant technical drawings that use ISO 1101:2012 and its companion published standards. More than 15 standards were directly reviewed and more than 30 standards indirectly used in creating the book.

### *Alex Krulikowski - AbeBooks*

Alex Krulikowski's ISO Geometrical Tolerancing Reference Guide allows the reader to quickly and easily look up information on a topic without having to navigate through numerous ISO standards. Drawing interpretation is easier because the tolerancing information is in one place, arranged in a logical order, with illustrations of each concept.
