*American Holocaust: The Conquest of the New World* was published in 1992. That was an occasion when Americans were celebrating the Quincentennial anniversary of Columbus' exploration of America. In the midst of much work fashioned on the positive aspects of discovery and its triumphs, Stannard produced an illustrative work that tells the story of Americas from a different perspective.

*American Holocaust - David Stannard*

The population figure of indigenous peoples of the Americas before the 1492 Spanish voyage of Christopher Columbus has proven difficult to establish. Scholars rely on archaeological data and written records from European settlers. Most scholars writing at the end of the 19th century estimated that the pre-Columbian population was as low as 10 million; by the end of the 20th century most ...
