Research in the Mathematical Sciences—Home—Springer

The Department of Applied Mathematics in the College of Arts and Sciences offers a Bachelor of Science degree in applied mathematics through the College of Engineering and Applied Science. The BS degree is designed to prepare graduates for exciting and diverse professional careers, and for graduate study in a wide variety of disciplines.

Applied Mathematical Sciences—Home—Springer

Mathematical Sciences is a single-blind peer-reviewed hybrid journal published. The journal publishes original research articles that demonstrate the interaction between various disciplines of theoretical and applied mathematics.

Applied Mathematics and Mechanics | Home—Springer

Approximate, asymptotic methods are indispensable tools for the applied mathematician, in league with computational and exact solution methods. Very often in applications, there are physical, nondimensional parameters $p \in \mathbb{R}^n$ that are small, yet essentially nonzero.

Applied Mathematics—Bachelor of Science (BSAM) ...

CU Boulder's professional master's degree in applied mathematics is designed to give students the technical knowledge and professional skills to be highly successful in careers related to data science, statistics, applied mathematics and engineering.

Applied Mathematics Springer Amazon.com

Providing corporate and hospital researchers with access to millions of scientific documents from Journals, Books, Protocols, Reference works and Proceedings.

Communications on Applied Mathematics and Computation | Home

Applied Mathematics and Mechanics (English Edition) is a journal on applied mathematics and mechanics published in the People's Republic of China.It is a comprehensive journal presenting original research papers on mechanics, mathematical methods and modeling in mechanics as well as applied mathematics relevant to neoteric mechanics.

Applied Mathematical Sciences—Hikari

Providing researchers with access to millions of scientific documents from journals, books, series, protocols, reference works and proceedings.

Applied Mathematics—Professional Master of Science (MSAM) ...

Applied Mathematical Sciences is international journal that presents high quality peer-reviewed papers in a broad range of applied mathematics and related applied sciences.The journal also aims to provide mathematical methods that find use in science, engineering, business, computer science, and industry. Homepage. How to publish in this journal

Directory | Applied Mathematics | University of Colorado ...

The Applied Mathematics and Statistics Department (AMS) offers an undergraduate degree in which students are exposed to a breadth of coursework in computational mathematics, applied mathematics, and statistics. In the senior year, students may choose an area of emphasis in either Computational and Applied Mathematics (CAM) or Statistics (STAT).

Texts in Applied Mathematics—Springer

Communications on Applied Mathematics and Computation publishes high quality research papers and review papers in applied analysis, mathematical modeling, numerical analysis, and scientific computing. Papers involving two or more areas in this list are particularly welcome, however papers in one of these areas are also welcome.
