Austerity The Demolition Of The

~~Labour's pledge to revive Sure Start highlights austerity ...~~

The book is in two parts: the first, 'Demolition', deals with the causes of austerity and its impact on all areas of society. The second, 'Austerity and Democracy', charts its chilling impact on our democratic freedoms. 'Demolition' begins with the history of the international financial organisations that dominate our world today.

But it's also a fairly obvious motivation in the UK, if not so crudely expressed. The "primary purpose" of austerity, the Telegraph admitted in 2013, "is to shrink the size of government spending" - or, as Cameron put it in a speech later that year, to make the state "leaner ... not just now, but permanently".

~~Austerity: The Demolition of the Welfare State and the ...~~

Austerity is not a short term disruption to balance the books. It is the controlled demolition of the welfare state - transferring the UK from a social democracy to a corporate state. Austerity has been presented as necessary, constructive and temporary by governments across the world, the UK included.

~~Kerry-Anne Mendoza, Austerity: The Demolition of the ...~~

'Austerity is planned hunger, planned poverty and planned homelessness. It is the deliberate destitution of the many, to benefit the few' (p. 83). The book by Kerry-Anne Mendoza is a passionate pledge against the politics of austerity that have unfolded in the UK since the financial crisis.

~~Austerity: The Demolition of the Welfare State and the ...~~

It is powerful and compelling, exposing the myth of austerity policy, pointing out the careful construction of economic scapegoats and highlighting the rabid injustices inflicted on the British people (and others abroad) by the neo-liberal consensus. This book is quite openly Corbynist. If that bothers you, you should read it anyway.
