The Yara-Ma-Yha-Who is a unique creature that has terrified Australia for centuries. This creature can best be described as a cross between a goblin and a vampire. Tales of this Australian terror originate from Aboriginal folklore. The Yara-Ma-Yha-Who is a short, frog-like man with red skin and a giant head.

Mythical Creatures That Have Terrified Australia for Centuries

Some say the legend of the Bunyip stems from Aboriginal ancestral memories of the Diprotodon australis, a three-tonne, bear-like creature that was the biggest marsupial in existence - before it became extinct around 40,000 years ago. 2. Drop Bears: If attacked, take two Panadol and prepare for certain death.

Books A-Z. Aricles. Useful links. Contact. Home Folktales Australia. Preface. Australian Legendary Tales Folk-lore of the Noongahburrahs as told to the Piccaninnies. A neighbour of mine exclaimed, when I mentioned that I proposed making a small collection of the folk-lore legends of the tribe of blacks I knew so well living on this station, "But have the blacks any legends?"—thus showing that people may live in a country and yet know little of the aboriginal inhabitants; and ...

Australian Legendary Tales Folklore Of

Australian Legendary Tales was written for a popular audience, yet these stories were written with artistic integrity, and not filtered, as was the case with many books from this period. That said, the style of this book reflects a Victorian sentimentality and an occasional tinge of racism that may not sit well with some modern readers.
