complications of Bipolar disorder, probable outcomes, prospects for recovery, recovery period for Bipolar disorder, survival rates, death rates, and other outcome possibilities in the overall prognosis of Bipolar disorder.

*The Bipolar Disorder Survival Guide, Third Edition: What ...*

Living with bipolar disorder means not being able to predict when you go manic (whether high or low). When that happens, if you can get on top of it before it really starts, celebrate that small win over the battle you go through with your mind. If you sense a trigger and are able to control your mood, again celebrate that small win.
