by Richard Morganstern, MD. Inpatient psychiatric nurses play an important role as information collectors so that, among other things, psychiatrists will make the right medication decisions. Here are ten pieces of information that psychiatrists would like to read in a nurse's note. This information should appear in at least one nursing progress note per shift.

Can anyone give me tips on writing a BIRP counseling note ...

Documentation must support ongoing Medical Necessity to ensure that all provided services are Medi-Cal reimbursable. To be reimbursable, all services claimed to Medi-Cal, except for assessment or crisis inter-vention, MUST fit into the “Clinical Loop” and support Medical Necessity. The “Clinical Loop” is the se-
