~~Cellulite and Body Shaping—ASKINOLOGY~~

This machine is designed to stimulate your body's own fat-burning abilities to break up fat cells quickly. It firms up the skin and reduces cellulite, resulting in younger and smoother looking skin. The machine can be targeted to any problem area of the body. The process is completely natural and pain-free.

~~Body Shaping & Contouring Treatment in Springfield, MO~~

The etiology of cellulite has long been debated and several mechanisms have been proposed. While still controversial, understanding the pathophysiology behind cellulite is key when developing potential therapeutic treatments.
