Pearson - Capitalism at the Crossroads: Next Generation ...

Capitalism is always at a crossroads. It's always in the interest of whatever force is currently on the up to claim it is hegemonic, and the right's recent political dominance has obscured the fact that capitalism has never been unchallenged. It underwent severe crises and challenges in 1848, 1917 and 1929.

Amazon.com: Capitalism at the Crossroads: Next Generation ...

Capitalism at the Crossroads has a narrower focus than I would have liked as it centers its argument almost purely on sustainability via a "green economy." Prof. Hart starts by tracing the history of socially responsible corporate behavior from its early days in the 1970s when such
