Communicating with Brazilians: When "Yes" Means "No" by ...
Brazilians are gracious, friendly, fun-loving people, which makes their country a very inviting place to visit for pleasure or business. So great is their cordiality that Brazilians will say "yes" to almost any request—even when they actually mean "no"—which can be quite confusing for U.S. visitors who are used to a more direct style of communication.

Communicating With Brazilians When Yes
Brazilians are gracious, friendly, fun-loving people, which makes their country a very inviting place to visit for pleasure or business. So great is their cordiality that Brazilians will say "yes" to almost any request—even when they actually mean "no"—which can be quite confusing for U.S. visitors who are used to a more direct style of communication.

communicating in Brazil – Circles of Excellence
So as I predict, Brazil will have no official language in about 50 years or so. That's because there will be too many other languages being spoken in Brazil. That is good because the Portugese will have less power, but it is bad because Brazil would have a ton of communication problems.

How to Negotiate with a Brazilian - The Brazil Business
This article on cultural differences in Brazil and cultural travel tips for Brazil is a brief snapshot of conversation guidelines for Brazil, tips for communicating in Brazil and business strategies for Brazil to help with understanding the culture in Brazil.

Communicating with Brazilians - Home | Facebook
Much of nonverbal communication contributes to a person's immediacy, that is, his or her apparent availability and positive disposition toward communicating. The most significant clash of cultures in Brazilian–North American communication is immediacy. Brazilians find North Americans distant, both literally and figuratively.
