Share/Tweet/Email "Eyes Wide Shut" was promoted as a steamy, suspenseful movie starring the "It" couple of the day: Tom Cruise and Nicole Kidman. While the actors were prominently featured in the movie, it is everything around them that told the true story of "Eyes Wide Shut". Stanley Kubrick's attention to detail and symbolism gave the movie [...]

I get how frustrating it can be. Writing the book might seem like the most difficult part...and then you have to actually title the darn thing! When it comes to writing a book, coming up with reasonable book title ideas is surprisingly one of the hardest parts to complete. It's difficult because titles are essentially short hooks that advertise your book using the fewest words possible.

Did you know that a whopping 85 % of people suffer from low self-esteem? So, if you're having challenges kicking your bad habits such as sugar addiction, you could be among the more than 85 percent of people, who lack high self-esteem. In other words, MOST of us don't have the high self-esteem we need to attract abundance, have rewarding relationships, be happy and achieve fulfillment.

Extraordinary leaders inspire, but just how do they do it? What sets a good leader apart from a mediocre one? An extraordinary leader is a person who has learned how to influence people, including their thoughts, feelings and behaviors; people like Martin Luther King, Jr., Gandhi, Nelson Mandela and Oprah are just a few examples.

The primary/secondary quality distinction is a conceptual distinction in epistemology and metaphysics, concerning the nature of reality. It is most explicitly articulated by John Locke in his Essay concerning Human Understanding, but earlier thinkers such as Galileo and Descartes made similar distinctions. Primary qualities are thought to be properties of objects that are independent of any ...
