require interviewees to give specific examples of times in which they demonstrated particular sought-after interpersonal competencies such as adaptability, creativity, or oral / written communications skills.

~~Amazon.com: Customer reviews:~~

~~Competency Based Interviews ...~~

The Benefits of Competency Based Interviewing. Research has shown that unfocused interview techniques lead to huge numbers of unsatisfactory hires every year, each one costing the equivalent of around one-fifth of the position's salary.. Hiring the wrong person can result in sub-standard work and missed deadlines, causing team overload, as other people are forced to pick up the slack.

responsibility to which you are applying. The type of competencies against which you will be assessed also depends on the actual post and the company who is interviewing you.

## ~~Competency Based Interview Questions~~ ~~–The Balance Careers~~

Competency based interview questions (also referred to as situational, behavioural or competency questions) are a style of interviewing often used to evaluate a candidate's key competencies, particularly when it is hard to select on the basis of technical merit.
