University, its primary function being to facilitate granting of affiliation and to process other allied matters pertaining to the Engineering colleges in Tamil Nadu encompassing Chennai (Head Quarters) and regions Tiruchirappalli, Coimbatore, Madurai and Tirunelveli.

Anna University Composite Notes

File Type PDF Composite Materials Chennai Syllabus Notes

Scope: The project topic should be focused and be related to the mechanics of composite materials. It can be solving a technical problem, or describing a phenomenon (e.g. elasticity, failure) of a certain class of composite materials, or introducing an application of composite materials and the associated design process.
