CompTIA IT Fundamentals All-in-One Exam Guide (Exam FC0 ...

Start or grow your career in IT with an IT certification from CompTIA. Find everything you need to get certified - from exploring certifications to training to taking your exam.

CompTIA IT Fundamentals (FC0-U51)

The CompTIA IT Fundamentals certification is the less senior of the two qualification and will act as the perfect springboard to the CompTIA A+ certification. However, anyone that has some experience in working with computers would find the A+ certification to be better suited to them, as the course content would be geared towards their skill level.
