proceedings of the 6th International
Conference on Collective Intelligence,
ICCCI 2014, held in Seoul, Korea, in
September 2014. The 70 full papers
presented were carefully reviewed and
selected from 205 submissions. They
address topics such as knowledge

~~Computational Collective Intelligence~~

Acces PDF Computational Collective Intelligence Technologies And Applications Springer

Collective intelligence (CI) is shared or group intelligence that emerges from the collaboration, collective efforts, and competition of many individuals and appears in consensus decision making. The term appears in sociobiology, political science and in context of mass peer review and crowdsourcing
