*A Conception of Genetic Parenthood*

Mothers selected to represent various subcultures in the Midwest were queried in group tests and individual interviews on their ideas of parenthood. Mothers of lower social classes, Negroes, and those with older children tend to have more traditional conceptions than do mothers of higher status, white mothers, and those with younger children.

*Conceptions of Parenthood: Ethics and the Family, Journal ...*

In the past 30 years, advancements in reproductive technology and the sometimes swift currents of social change have caused much reflection on the ethics of the family. While these advances have brought the joys and challenges of parenthood to many who otherwise might not be able to experience life as parents, they have also created numerous legal and moral dilemmas.

*Kant's Justification of Parental Duties | Kantian Review ...*

Abstract. We seek to develop a plausible conception of genetic parenthood, taking a recent discussion by Heidi Mertes as our point of departure. Mertes considers two conceptions of genetic parenthood—one invoking genetic resemblance, and the other genetic inheritance—and presents counter-examples to both conceptions. We revise
