Conquering Chemistry does not contain experiments. However the publisher has produced two Teacher Resource CDs that include, among other things, full procedures for all the compulsory experiments (first-hand investigations) required for both the Preliminary and the HSC courses.

Preliminary Chemistry - Water - Intermolecular Forces ...
Although Conquering Chemistry Preliminary Course(CCPC) fourth edition covers all the material in Module 1 of the current (2002) syllabus, it takes a slightly different approach in some places. CCPC begins similarly to the syllabus by introducing elements, compounds and mixtures (Syllabus Section 1) then shows that different parts of the Earth are made up of different mixtures and describing some important ones.
