mental, emotional ...

Bioenergy healing - Selfhealing Naja method

Bioenergy, the assumed basis of what is now commonly called “healing,” is a complicated subject
for many of us — and an even more complicated subject for research. In this evolving field of
science, experts offer a variety of definitions, explanations and mechanisms for the process. Of
course, the village shaman and his patient need no such information because, as believers,

The Consciousness of Self-Healing | TCM World

Consciousness In Healing The Hidden Self . The acts of self-consciousness and self-control go hand
in hand. The fact is that when we are self-conscious we are better able to exhibit self-control. There
are many persons out there that are not self aware or conscious of themselves and they are not in
control of their emotions and actions.

Bioenergy Zdenko Domančič

The acts of self-consciousness and self-control go hand in hand. The fact is that when we are self-
conscious we are better able to exhibit self-control. There are many persons out there that are not
self aware or conscious of themselves and they are not in control of their emotions and actions.
Being self-aware is important...

Self-healing is possible thanks to the power of your subconscious mind. Let's learn how to use this power. Unless you've been reading up on the subconscious mind and its workings, you probably know very little about it. Scientists and psychologists emphasize the importance of understanding the subconscious to enable you to use it to your benefit.

Bioenergy Research: The Capacity to Heal | MassageTherapy.com

Healing is an interaction in which the therapist and the patient actively correlate. The bioenergy therapist conducts a cosmic informed energy which infallibly knows its path, and the patient accepts it in his or her biofield initiating the process of self-healing.

Conscious Awareness in Self-Healing

BIOENERGY is the life sustaining force of the Universe. There is no life without Bioenergy. All forces of the universe, including human consciousness, are the transformations of this cosmic energy. ... Based on the fact that the body is self-healing and that "everything ...
