Dark in death As usual the book was well written but not as edgy as some of her earlier works. I found the story disappointing. I think the author should postpone the next publication date and take the time off to research a story taken from the headlines of 2017 and adapt it for Lt Dallas. Miss Robb needs her groove back.

Editions of Dark in Death by J.D. Robb - Goodreads

Dark in Death What a disappointing read! Storyline ho-hum, with the impression Robb knew what the readers would score the book and prepared them to be ignored by her for any criticism with the story based on an author whose books are being used as a reason for a killer to use her storyline as the reason to kill because the author had not been encouraging when sent a manuscript.

Dark In Death

Dark in Death is another totally enjoyable book in this great series. After the gripping start it turned into one of the quieter books. There was a heap of police procedure, Roarke and Eve were in a good place, Eve didn't get attacked or shot and we all knew who the murderer was in plenty As usual Robb starts her book with a killer of an opening scene (pun intended).

Dark in Death (In Death, #46) by J.D. Robb

Geschreven bij Dark in Death. Weer een nieuw intrigerend plot. Ik ben verslaafd aan de "In Death" boeken van Nora Roberts en heb dan ook alle delen. Ze vervelen nooit. Ik vind het een mooie mix van science-fiction, spanning, romantiek en een vleug humor. Lees ze wel in het Engels want de vertaling vind ik minder prettig lezen.
