~~Demag Compressor Parts~~

For more than one century the FMA Pokorny is in the lead. Regarding the excellence as well as the number of manufactured compressors and air tools, it is not exceeded by any other company. In 1959 FMA POKORNY became a member of the DEMAG - companies organisation. In 1970 the transformation into Demag Verdichter- und Drucklufttechnik became reality.

~~Demag Compressor~~

The roots of the Deutsche Maschinenbau AG (DEMAG) go back to the year 1910. At this time the company FMA Pokorny also began to produce compressors and air tools. In 1959 FMA Pockorny became a part of the DEMAG consolidated companies. In today's MD Drucklufttechnik GmbH & Co. KG the traditional brand Mannesmann DEMAG lives on. History of MD

~~Mannesmann Demag~~

All Demag replacement compressor parts and oil are 100% OEM compatible and meet or exceed OEM specifications. Brand names and logos listed are for references only. Demag Cranes AG is a well known manufacturer of heavy equipments including industrial cranes, vehicle cranes, compressors, compressed air engineering, construction machines, as well as injection moulding machines.

~~Hoist Units—Demag~~

Derived from our integrally geared compressor technology radial expansion turbines help recover energy from hot process gas streams and can be used to drive a compressor or generator. Compressors and turbines are typically manufactured for continuous and uninterrupted operation allowing inspection and maintenance to be synchronized with general plant or asset maintenance schedules.
