Democracy from above: Regional organizations and ... Democracy From Above: Regional Organizations and Democratization Given that U.S. presidents from Woodrow Wilson to George W. Bush have made the promotion of democracy a central tenet of foreign policy, the lack of systematic knowledge about international influences on democratization is surprising.

Democracy From Above: Regional Organizations and ... Rachel Vanderhill, "Democracy from Above: Regional Organizations and Democratization Europe Undivided: Democracy, Leverage, & Integration after Communism," The Journal of Politics 68, no. 2 (May 2006): 475-477.

This page intentionally left blank In „ Democracy from Above: Regional Organizations and Democratization “ (2005), Jon C. Pevehouse refutes the assertion of P.C. Schmitter (1986) that domestic politics has the sole proprietorship of influencing transition of authoritarian states to democratic regimes and that external actors play a marginal role in this transition.

Tutelage and Regime Survival in Regional Organizations ... Democracy from Above. Since the momentous events of the late 1980s, democratic transition has been a widely studied phenomenon. Most scholars who have investigated the causes and implications of the global trend to democracy have argued that domestic politics is the leading determinant in the success or failure of transitions to democracy.

Democracy from Above - Cambridge University Press Democracy from above : regional organizations and democratization. [Jon C Pevehouse] -- Jon Pevehouse argues that regional organizations can have an important role in both the transition to and the longevity of democracy.

Democracy from Above? Regional Organizations and ... First, he runs diverse statistical tests to show that regional organizations are associated with both democratic transitions (regime change) and democratic consolidation (regime survival). Controlling for contextual variables and testing rival hypotheses, he finds a high level of correlation between belonging to (or joining) a regional organization and the first stage of a transition; namely, liberalization.

Amazon.com: Democracy from Above: Regional Organizations ... 22 Democracy from Above My contention is that membership in regional organizations can be a credible external guarantee of safeguards for elites, especially economic elites. When domestic policy violates an international agreement, the ability to change course becomes diminished.

Democracy from Above: Regional Organizations and ... Democracy from Above: Regional Organizations and Democratization. Domestic elites use membership of regional organizations to advance the cause of democracy since these organizations can manipulate the costs and benefits of democracy to important societal groups such as business elites or the military.

Democracy From Above Regional Organizations Few scholars have systematically examined whether the world outside a state's borders can influence the prospects for democracy. Jon Pevehouse argues that regional organizations, such as the European Union and the Organization of American States, can have an important role in both the transition to, and the longevity of, democracy.
