Trainers V. Tiaras (Diary of a Chav, #1) by Grace Dent  
Chav, by the way, is a derogatory term for working-class British youth who wear hoodies, sneakers, and bling. Shiraz has numerous problems including a runaway sister, an obese dog, and a mother who doesn't seem understanding. Written in diary format, I loved Shiraz's voice, even though the British slang was confusing at times.

Community Reviews. This book is the diary of a girl named Shiraz Bailey Wood, she is considered a bit of a chav, but I wouldn't say she is. She likes make-up, hoodies and gold bling, but it doesn't necessarily make her a chav. In this book, she is talking about her life, as it is a diary and how she got it.

What parents need to know. She is a mouthy character who does poorly in school and hangs out with some trouble-makers. There are references to fast food and lots of British slang throughout (a "chav," for instance, is an insult for a white working-class person who dresses in hip hop clothes).

Diary of a Chav (6 Book Series)  
Scatalogue unknown 1. A piece of media focused on a topic so awful, that only equally awful people of that grouping will buy it. Strangely enough, these are often best-sellers, and generally abhorrently overprice for their overall literature worth.
