included. In some  
cases we have  
included scores of  
operatic works, mainly  
for most important  
works, or if a libretto  
was not available.

Fledermaus is a German opera, and a libretto is an English translation of the vocal parts so you can follow along when listening to a CD or record. This is just English lyrics - no reference at all to the German text, and hence is totally useless for anything I can think of. Amazon needs to fix the product description.
