15 Valuable Lessons to Teach Photography for Kids

A child hooked on photography is a child who rarely says "There's nothing to do." Armed with skills, a digital camera and charged batteries, there's always something to do – rain or shine (and believe me, my boys and I get plenty of rain in Worcestershire, England.) How to Teach Kids Photography

Digital Photography For Childrens And

Along those same lines, digital photography means that little is wasted when practising photography. Encourage the child to take another shot to try to fix what they didn't like the first time. Cameras that kids can use without supervision — i.e. something that's not expensive or overly complicated — are great.

Digital Photography For Kids

The Kidwell Kids camera is a great gift for children 3-12 years. Easy to use, this camera has a number of interesting features, aside from photo and video recording. On the Kids Camera, in fact, you can find a large 2.8" LCD touch screen, a burst shooting mode, time-lapse shooting, self-timer, a flashlight, and 4X digital zoom.

Teach Photography to Children: Ideas, Tips, Projects ...

The day that i discovered my family film camera had a little dial for different 'shooting modes' on it was a day my photography improved a little. Most digital cameras these days have the ability to switch a camera into modes like 'portrait', 'sports', 'macro' etc. Teach your child what these modes mean and when to switch to ...

Digital Photography for Kids - The Image Flow

Thanks for the article Courtney, I was asked to teach basic photography to kids from 6 - 10 years of age. To be honest, I was clueless about how to go about it. After reading this article, I get a fair idea on how to go about it as it is quite challenging to teach photography to very young kids.

Photography for Kids | Video School

Photography is essentially a means of not only documenting the past, but also communicating. Children learn to predict outcomes and actively participate in "experiments". With a digital camera, the results are close to instant and there is more room to explore.
