### ~~Diplomacy In A Globalizing World~~

"The second edition of Diplomacy in a Globalizing World includes three new chapters that further justify the book's already established place as a major text, bringing much-needed focus to an often-neglected component of international politics. Diplomacy is critical for the twenty-first-century world, and this insightful book illuminates the challenges and benefits of diplomatic solutions for a changing world order."

### ~~Diplomacy in a Globalizing World - Oxford University Press~~

Description : Diplomacy is transforming and expanding its role as the method of interstate relations to a general instrument of communication among globalized societies. Adapting to globalization, the practice of diplomacy is shared by non-state participants, thus becoming privatized and popularized.
