Shakespeare, T. (2013). Disability Rights and Wrongs Revisited (2nd ed.). Routledge. <https://doi.org/10.4324/9781315887456>. COPY. ABSTRACT. Over the last forty years, the field of disability studies has emerged from the political activism of disabled people. In this challenging review of the field, leading disability academic and activist Tom Shakespeare argues that disability research needs a firmer conceptual and empirical footing.

Disability Rights And Wrongs Revisited PDF

The global politics of disability rights and deinstitutionalisation has launched a family of social explanations of disability. In North America, these have usually been framed using the terminology of minority groups and civil rights (Hahn, 1988). In the Nordic countries, the dominant conceptualisation has been the relational model

achieved, what it has failed to achieve, and what it should aspire to achieve in the future. Tom Shakespeare's writing is irreverent, clear, and wise.'

Disability rights and wrongs revisited, second edition ...

Disability rights and wrongs revisited. Tom Shakespeare has made his living, if one actually makes a living in academia and its peripheries, as a contrarian. His best-known effort in that role has been to question if not oppose the strong social model offered by the UK Marxist school of disability studies. As such, there had been a battle of the titans, as it were, between Michael Oliver, Colin Barnes and Tom Shakespeare that was well known in the UK and European circles, and was usually ...
