narrative that captures  
this turbulent time as it  
revives the memory of  
the Successors of  
Alexander and their

Successors, Robin

no mere plunderers.

We could take this as the true start of the Fourth War of the Successors, in the sense that intermittent warfare was replaced by a fight to the finish. At any rate, as if we can isolate affairs in Greece from what was happening elsewhere, it was the start of what is called the Four-Year War on the Greek mainland.

'Dividing the Spoils:  
The War For Alexander  
The Great's Empire' is  
the first book I have

Robin Waterfield. It is  
also the first book, my  
induction as it were,  
into reading about the  
'Diadochi' or  
Alexander's  
successors.
