Laundry days would be easier (not necessarily less, but definitely easier). Unfortunately, instead of enjoying the benefits of a minimalist wardrobe, most of us buy into the lie that more is better. And because we do, we accumulate more and more clothing each season.

~~Minimalist Wardrobe: A Practical Guide to Owning Less Clothes~~

The minimalist guide to productivity starts with a simple theory. A lot of the items on your to-do list just do not need to be there . By designing your day differently and by focusing on only your most important goals, you can afford to spend more time on the things that actually matter and can do higher quality work.

~~The Joy of Less, A Minimalist Living Guide~~

Even if it takes 10 years to get to where you think you want to be, the benefits begin immediately. The beauty of being a beginner minimalist is that you can be curious, and daring. You can ask for help, get back up if you fall, and look forward to new adventures in a life with less stuff, drama, debt, and obligation.

~~Do Less A Minimalist Guide To A Simplified Organized And ...~~

Adopt The Mindset. So far, we've looked at what minimalism is, that it's a process, and we've identified a why and created habits. To solidify this life change, you need to adopt a minimalist mindset. In other words, take your rules, guides, habits, mantras (whatever you like to call them) and live by them.

~~Beginner Minimalist? Start here and experiment with this ...~~

It's a common misconception that minimalism is above all about LESS, about subtracting whatever possible. But really, it's only about subtracting the bad stuff, the stuff that drains your energy. And then, once you have made some room, it's just as much about adding back in.
