This study illustrates the political significance of these artistic practices and critically contributes to the debate on the conditions of utopian thinking in late-capitalist society, arguing that contemporary artists' interest in the past is the result of a shift within the temporal organization of the utopian imagination from its futuristic ...

~~Documents of Utopia: The Politics of Experimental ...~~

Drawing on a dazzling array of sources, Documents of Utopia makes a significant contribution to our understanding of two, seemingly opposed, trends in contemporary art practice: the archival turn and the burgeoning interest in utopia. Paolo Magagnoli offers a clear and sophisticated argument that a desire to recover the past can also be one to rethink the future.
