Good writing prompts get students' creative juices flowing, help them write more freely, and ease any anxiety they may feel about the writing process. To integrate writing prompts into your lessons, ask students to choose one writing prompt each day or week. To make the activity more challenging, encourage them to write without stopping for at least five minutes, increasing the number of ...

Perfect for primary students, these journals feature writing guidelines with dotted midlines at the bottom of each page and blank space at the top so students can illustrate their stories. They're small enough to keep in a folder, and can be used for any subject. A great way to inspire creative writing and get students to practice their handwriting, too! <!-- 165544 Draw And Write Journals ...

Draw And Write Journals - Really Good Stuff

This draw and write journal pairs nicely with our school's writing curriculum. Writing is a hard subject to teach and a harder one for students to master. I will continue to use these notebooks as long as I teach at first grade level.

The Mead Primary Draw & Write Journal is by far the best of this style. The paper quality is much nicer than the Top Flight brand, plus 20 additional sheets. Top Flight paper is super thin just as noted in the comments. Also, I did purchase a Lakeshore Draw & Write journal and that one is spiral bound, paper 60lb. and bright white.
