**Dying for a Paycheck (Audiobook) by Jeffrey Pfeffer ...**

Jeffrey Pfeffer, author of Dying for a Paycheck, recently wrote an article for BBC where he noted the following: "Harmful workplace practices include things like long working hours, work-family conflict, economic insecurity arising from job losses and not having regular or predictable work hours, an absence of job control and, in the US, not having health insurance."

**Book Review: "Dying for a Paycheck" | The Stanford Daily**

2018 March 22, 2018 1 comment The workplace is the fifth leading cause of death in the United States! That's what Stanford professor Jeffrey Pfeffer shares in his new book, Dying for a Paycheck.

**Dying for a Paycheck | HuffPost**

In Dying for a Paycheck, Jeffrey Pfeffer discusses numerous examples where organizations have allowed management practices that literally sicken and kill their employees.A range of topics is explored including layoffs, health insurance, work-family conflict, work hours, job autonomy and why people remain in toxic environments.

**Dying for a Paycheck - The HR Professor**

Dying for a Paycheck is a clarion call for a social movement focused on human sustainability. Pfeffer makes clear that the environment we work in is just as important as the one we live in, and with this urgent book, he opens our eyes and shows how we can make our workplaces healthier and better.

**Dying for a Paycheck: How Modern Management Harms Employee ...**

For all these reasons and more, Dying for a Paycheck is an important yet unrelentingly depressing book. Additionally, Pfeffer's half-hearted solutions don't suggest that he actually believes there is much hope that corporate leaders will adopt them en masse — or even in big enough numbers to begin to move the employee health and wellness needle.

**Are American Workers Dying for their Paychecks?**

In Dying for a Paycheck, Jeffrey Pfeffer marshals a vast trove of evidence and numerous examples from all over the world to expose the infuriating truth about modern work life: even as organizations allow management practices that literally sicken and kill their employees, those policies do not enhance productivity or the bottom line, thereby creating a lose-lose situation.

**Dying For A Paycheck**

Dying for a Paycheck is a clarion call for a social movement focused on human sustainability. Pfeffer makes clear that the environment we work in is just as important as the one we live in, and with this urgent book, he opens our eyes and shows how we can make our workplaces healthier and better.
