You may use scrap paper to work out the answers to the questions, but be sure to record your answers on your answer sheet and in your answer booklet.

NYS Earth Science Regents Exam Information | Study.com

I am kind of confused here. I am a very good student in my Earth Science class (My average is usually high-90's), but all of the past Earth Science regents that my class has taken as practice have been really difficult. Everyone who I have asked that took the test last year said it was really easy. A lot of astronomy questions were asked on the past regents, and my class didn't learn that ...
