The World Bank reports the economy of Sub-Saharan African countries grew at rates that match or surpass global rates. [8] [9] According to the United Nations Department of Economic and Social Affairs , the improvement in the region's aggregate growth is largely attributable to a recovery in Egypt , Nigeria and South Africa , three of Africa's largest economies.

~~Economy of Africa - Wikipedia~~

The economy of South Africa is the second largest in Africa, after Nigeria. As a regional manufacturing hub, it is the most industrialized and diversified economy on the continent. South Africa is an upper-middle-income economy - one of only eight such countries in Africa. Since 1996, at the end of over twelve years of international sanctions, South Africa's Gross Domestic Product almost ...
