The other day I was having a conversation with my husband. I can't remember the actual words or the subject of the conversation, but I said something like this: 'It's more nicer this way.' Then he corrected me, 'It's nicer this way.' Did you spot the mistake? Today I'm sharing a common mistake that even native English speakers make. ... Continue reading "Using 'more' and ...

7 Cases Where Intonation Matters in English Remember that there are other ways to use your voice and pitch to change the meaning of your words. For example, the rhythm and speed of your voice, or where you place the stress in the sentence can also change the meaning.

~~Teaching in Primary and Secondary ... — Ministry of Education~~

But Black English is not just one monolithic dialect spanning the many millions of speakers across the country. There are rich regional and class differences with a deep linguistic history intertwined with stories of migration and movement, and there are dialects that grew to include more standard as well as vernacular forms. There's an almost relentless creativity to the linguistic ...
