The 8 Most Horrifying Body Modifications | Cracked.com

Entering the world of surgical genital modification as a young heteroexual male was quite unusual, and quite intimidating at the time. However, Subcision and J were the two guys I could go to with questions about the procedure and life after this modification, and they never once made me feel uncomfortable.

Body Modification

A common modification to the body is removing unwanted pubic hair. The decision to keep or remove pubic hair can be influenced by social norms and varies from culture to culture. It is a personal choice whether or not to remove the hair, but it is not necessary.

Body Modification Experience

Generally, we're pretty lenient about what's acceptable here. If it involves body modification, it belongs here. That includes pictures of things you have pierced, pictures of things you've pierced (if you're a professional), aftercare questions, tattoos, suspensions, unusual plastic surgery, and "would this look good on me" posts.

Extreme Male Genital Modification

Extreme body modifications have taken on many forms in recent years. From getting patterned facial scarring to spending hundreds of thousands of dollars to look like a children's toy, people all over the world are taking body modification and applying to their own truths.
