The Sphinx #4 Update- Fates and Furies and other writing news... I've been deep in the writing cave the last couple of weeks finishing the draft of book 4 in the Sphinx series. I've played with lots of titles, but with everything happening with Hope, Athan, and Xan, I'm really loving Fates and Furies .

Fates and Furies, if a person was to read the back cover and take a guess at what it is about, appears, more than anything, to be a classic love story. Maybe there is some intrigue. Maybe someone is unfaithful. Maybe they are both unfaithful and that's why it works. Maybe he is gay and she lets him do what he does on the side for the sake of their marriage.

Fates and Furies is the fourth and final book in The Sphinx series. I have thoroughly loved writing Hope's story, and I've had a few surprises along the way. There are a couple of characters that have firmly let me know that even though Hope's issue with Apollo is resolved, their story still needs to be told.
