Perec cannot say the words père, mère, parents, famille in his novel, nor can he write the name Georges Perec. In short, each "void" in the novel is abundantly furnished with meaning, and each points toward the existential void that Perec grappled with throughout his youth and early adulthood.

[A Void Quotes by Georges Perec - Goodreads](#)

The premise of A Void is bold and its execution is skilful, but sadly it is a one-joke book that rather outstays its welcome. Things are improved by Gilbert Adair's lively translation, including...

Perec is noted for his constrained writing. His 300-page novel La disparition (1969) is a lipogram, written with natural sentence structure and correct grammar, but using only words that do not contain the letter "e". It has been translated into English by Gilbert Adair under the title A Void (1994).

[Georges Perec | French author | Britannica](#)

The best of Georges Perec. It is a playful detective story where characters try to solve puzzles and find answers that - often because of the language constraint - are just out of reach. Central to the novel (A Void in Gilbert Adair's virtuoso translation) is the idea of disappearance and, implicitly, the Holocaust.

Georges Perec. A Void is an unnerving but insanely compelling work, and one which is rather hard to compare with anything else. It does have some similarities with Perec's later classic Life A User's Manual, but it will never be as popular. Adair deserves special praise for translating a work which poses such unusual difficulties;

Georges Perec A Void

A Void, translated from the original French La Disparition, is a 300-page French lipogrammatic novel, written in 1969 by Georges Perec, entirely without using the letter e, following Oulipo constraints.
