[igm.univ-mlv.fr](http://igm.univ-mlv.fr)

Every Linux user has been new at some point, and unless you've  
got a history of UNIX administration, the transition was likely a  
bit daunting. Many people began learning Linux before sites like  
Google and StackExchange made it easy to find answers, and  
ended up having to figure everything out in their own. While  
inconvenient, [...]
