Grey sister is the second book in the Book of the Ancestor trilogy. If you haven't read the first book, Red Sister, I highly recommend you read that first as it's an ongoing series with an overarching story, and so far a very good one. Sort of like a coming of age, dystopian Harry Potter is the best way I can describe the series.

By Henry VIII's will, the Grey sisters were in the line of succession behind Edward VI, Mary I and Elizabeth. The will expressly excluded the line of Margaret Tudor, Henry VIII's elder sister. Just before the failed attempt of placing their elder sister Jane on the throne, Katherine had married in a double wedding on 25 May 1553, Henry, Lord Herbert (heir of William Herbert, 1st Earl of ...
