The A320 Family is the most successful aircraft family ever and it was born ambitious. As the first civil aircraft to pioneer fly-by-wire technology, it has set the standard ever since its arrival and, thanks to significant annual investment of 300 million euros, the A320 Family continues to innovate.

Airbus 320 (320) - United Airlines

The United Airbus A320 is a very comfortable aircraft to fly in, at least in Economy Plus. For the 4 hour flight from SJC-ORD, I had plenty of space to do work, even with the seat in front of my reclined. The slimline seats were not the most comfortable, but after sitting in them for an 11 hour flight on the 787, this was no problem.
