How to Change Manual Transmission Fluid, aka MTF Overview: I searched for this but couldn't find it. If I missed it I apologize for redundancy. I believe you could accomplish this change without lifting the vehicle. However, my vehicle was already up with 4 jack stands. I mention 4 jack stands because it is important that the vehicle be level.

Yes, definitely, regardless of whether you have a manual or automatic transmission. Manual: Most manufacturers recommend that the manual transmission fluid should be changed every 30,000 to 60,000 miles. For heavy-duty use, some manufacturers suggest changing the transmission fluid every 15,000 miles.

~~Valvoline™ Synchronesh Manual Transmission Fluid : Product ...~~

Im trying to swap out the tranny fluid on my 06 LX Coupe 5 speed. I went to Honda to see what kind to get, and, big surprise, the only thing they would tell me was to get Honda Manual Transmission Fluid. Anyways, I want to buy the best (possibly synthetic) fluid on the market, but I dont know what brand to get, or even what weight.
