Puebla

Certain basic anthropological concerns are introduced. These include the nature of culture and society, and the ways in which humans organise themselves socially (weeks 2 and 3). In later weeks we see that time, space, the body and material culture form important components of this, as do ritual and power.

A ritual that should have affirmed the strength of Puebla's Catholic community highlighted, instead, its disunity. Tension first arose when the cathedral chapter refused to receive the procession of the Most Holy Burial in the main plaza and accept the royal standard from the lieutenant and nephew of the alcalde mayor, José Fernández Veytia y Linaje.

All the techniques you need are in Archangels of Magick and Sigils of Power and Transformation. The Identity Ritual was left out of the books because it's annoying to buy one book and be told, 'If you buy this extra book, you can also do this...' If you own both books, you now have an optional (and free) way to get more magick. The Changes

Mexico City or Lima, Identity, ritual, and power in colonial Puebla is an important and welcomed book for scholars and students of colonial Spanish America. Ramos provides a well-researched and carefully argued study of the intersection between local politics, rituals, and identities in the “second city” of New Spain. But her work will not only be
