Indigenous peoples' efforts coalesced into a veritable international campaign, aided by an increase of supportive scholarly writings from moral and sociological, as well as juridical, perspectives.

Indigenous Peoples in International Law - S. James Anaya ...

International law has seldom considered indigenous peoples rights separately from the concerns of the general matters of international law. This paper will introduce this emerging area of legal development. At the present time, development in this area appears to be confined to the subject of international human rights law.

M.L.S. in Indigenous Peoples Law - OU College of Law

Anaya demonstrates that, while historical trends in international law largely facilitated colonization of indigenous peoples and their lands, modern international law's human rights program has been modestly responsive to indigenous peoples' aspirations to survive as distinct communities in control of their own destinies.

The Rights of Indigenous Peoples

The book surveys how indigenous peoples—having historically been viewed by international law and those that created the law alike as mere 'ghosts in their own landscapes'—have recently emerged as international legal subjects and possessors of both sovereign (self-determination) and private (property) rights over territories.

Indigenous Peoples' Rights - International Work Group ...

Those states would prefer the terms "tribes" or "populations", which do not have those associations. On the other hand, Indigenous Peoples use the term "peoples" because of its association with inherent recognition of a distinct identity. "Indigenous People" is a compromise between these two positions.
