Sharper Image made a fanless air purifier called the Ionic Breeze. i like these alot, they really help with allergies, especially pollen.

[Free Sharper Image Air Cleaner User Manuals ...](#)

The Ionic Breeze was a portable purifier that made use of an air ionizer. Air ionizers work by giving air molecules an electric charge, which makes them attach to particles in the air. Theoretically, the intention is that this will help collect unwanted particles in the purifier's filter by making them "stick" in its collection blades.

close range. Plug into a grounded 110V outlet.

Cleaning the ionic breeze quadra!!!!!!!!!!

How to Reset an Ionic Breeze. By Gryphon Adams. Most of the time an ionic breeze air purifier provides trouble-free operation. Turn the machine on, the power indicator comes on and negative ions weigh down impurities in the air, causing them to drop to the floor and leaving you with cleaner air to breathe. Occasionally, the blades require cleaning.
