Delivery can be arranged subject to your location. Please call 01962 892466 for further information. PDI: This machine will be supplied fully PDI'd as per the manufacturers specifications.

John Deere US | Products & Services Information

Most John Deere lawn mowers are equipped with an electric PTO (Power Take Off). The PTO is the mechanism that turns on the blades located under the mower deck. The PTO works off of a 12-volt system. The electric clutch is operated by a switch located on the dashboard of the lawn mower.

John Deere Tractors for Sale. John Deere made his name by manufacturing the self-scouring steel plow in 1837. This revolutionary device changed the way farmers were able to work in their fields. That same innovative and pioneering spirit is what continues to put John Deere Tractors among the leaders in the field of agriculture.
