Logic Stan Baronett Answer

Hello, just wanted to let you know of a
mistake in the answers for exercise 29.B
part 7 in line (4) you write "Kyn" and
then later you rewrite it as "Kxn" I don't
know which of the variables you meant it
to be but I've tried the tree with Kyn and
it leaves an open branch so I'm guessing
it must be Kxn.

logic in everyday situations—this text shows students how life takes logic. Author Stan Baronett employs a clear and accessible writing style in which he addresses the reader as if they are in one-on-one discussion. Throughout the text, Baronett anticipates, asks, and answers the questions that typically arise during discussion of each topic—leading readers to a deeper understanding of the material.
