Maritime Security Law - ANU

Chapters revisit the United Nations Convention on the Law of the Sea (LOSC), highlighting how not all maritime security threats can be addressed by this, and further looking at the ways in which the LOSC may even hinder maritime security.

Maritime Security

Maritime Security Strategy What is it? We all depend on safe, secure and clean seas and oceans for prosperity and peace. It is through adequate maritime security that we can maintain the rule of law in areas beyond national jurisdiction and protect the EU strategic maritime interests which include

Oxford Public International Law: Maritime Security and the ...

This paper addresses the Common Heritage of Mankind (CHM) with respect to marine and outer space resources, in light of relevant treaties. Possible developments concern internationally, the drafting of a special regulation on the conservation and sustainable use of marine biodiversity of areas beyond national jurisdiction and, nationally, newly-adopted regulations on the commercial use of ...

Maritime Security Law - ANU

Accounts of maritime security are increasingly receptive to more diffuse and complex threats to human communities. Security concerns have started to percolate the literature on fisheries management, which is ever more inclusive of non-traditional elements, such as operational synergies with crime or with food and human security. This chapter deepens our understanding of maritime security ...

Natalie Klein (ed): Maritime security and the law of the sea Article (PDF Available) in WMU Journal of Maritime Affairs 11(1) · April 2012 with 1,527 Reads How we measure 'reads'

Maritime security

Maritime security is one of the longest standing distinctive areas of international law dealing with international security issues due to the historic importance of the law on piracy. With the development of the international law of the sea, coastal state maritime security has gained in prominence as an array of maritime zones have been proclaimed and new sovereign rights and jurisdiction ...

International Legal Framework Governing Maritime Security

Such security breaches have the potential to do considerable harm to the safety and security of ships, ports, marine facilities and other elements of the maritime transportation system, IMO has taken the initiative to raise awareness across the industry on how to tackle risks by promoting a maritime cyber risk management approach.

Maritime Security And The Law

'Maritime Security and the Law of the Sea: Help or Hindrance? provides important insights into cutting-edge maritime security issues and whether the law of the sea is still fit for purpose. The diverse topics addressed will hold considerable interest for all stakeholders working in maritime security.' – Natalie Klein, University of New South Wales, Australia

Maritime Security and the Law of the Sea

Maritime Security and the Law of the Sea examines the rights and duties of states across a broad spectrum of maritime security threats. It provides comprehensive coverage of the different dimensions of maritime security in order to assess how responses to maritime security concerns are and should be shaping the law of the sea. The discussion sets out the rules regulating passage of military ...

Maritime Security and the Law of the Sea - Oxford Scholarship

Maritime Security. The project 'Policing the high seas: maritime law-enforcement in a multi-actor environment' aims to identify the gaps in the legal framework for EU activities in the maritime security domain, and specifically in the areas of combating piracy, human smuggling or trafficking and drug trafficking.
