Why the latest edition of Martindale is a must-have for ...

The 37th edition of Martindale: The Complete Drug Reference, in 2 volumes, continues to build on previous editions, going back to the first in 1883. The beauty of this work is that it remains, edition after edition, the most stupendously comprehensive work in its field. To provide more up-to-date information, the interval between print editions has been reduced over successive editions, and ...
